ETHNA is an awesome Ferretti Custom Line 97 built in 2008 and completely refitted in 2018. She boasts ample, comfortable spaces and chic furnishings and décor, accommodating up to 10/12 guests.

The light-filled main deck salon incorporates a relaxing lounge area and a huge glass table that will create the perfect setting for formal dinners. Forward, the Master Stateroom features double bed, a large sofa, vanity/desk and private bathroom.

The lower deck offers comfortable accommodation for 8/10 guests in two double suites and two twin cabins with additional pullman berth (only suitable for small children or nannies), all boasting private bathroom.

Her exterior space is plentiful. The large aft deck, complete with teak table, is ideal for dining alfresco with family and friends, while the foredeck sunbathing area offers a more private escape.

The incredible flybridge with additional dining, seating and sunbathing areas, all serviced from a dedicated wetbar, holds the very cherry on top of this yacht: a round Jacuzzi, perfect to chill out while enjoying the incredible Mediterranean landscapes.

A dedicated and professional crew of five and a vast assortment of water toys make this yacht a perfect choice for a memorable holiday.
